

## PHOTO PLAY SMART XTREME

### The terminal for pubs and bars

The favourite amongst bar terminals is the guarantor for a higher cash box. Not just on the bar, but also on a floor stand or, as seen in Finland, even on a table, the SMART Xtreme takes the entertainment to the player.

**The nearer, the better!**

## Advantages for you

- ▶ Small terminal takes the entertainment closer to your players
- ▶ Timeless product design incl. POWERBOX Xtreme
- ▶ Universally usable

## The facts

- ▶ 15" TFT colour LCD monitor
- ▶ Elo touchscreen technology
- ▶ Camera with automatic screen illumination
- ▶ Networking options: DSL, ISDN, analog, GPRS
